

# The Extraordinary Sex Workshop:

Facilitated by husband and wife  
Chip August and Mary Katherine "Kat" Calderon

Create Intimacy through advanced Sexual techniques. Break through your inhibitions, expand traditional boundaries, and deepen intimate connection.

Experience sexuality and eroticism in ways that you have, perhaps, only hoped and dreamed of: with lots of heat plus an enormous sense of connection. Join us on a journey to allow your expanding sexuality to deepen intimacy with your partner.

Express your curiosity and desire for a full and delightful physical, emotional, and spiritual experience. Reach full fruition, flower, and fulfill some of your wildest fantasies around your sexuality.

A few brief statements made by participants:

I am in amazement and so grateful for your bravery and openness. Thank you for letting us in on your very special relationship. It was a privilege. BS

I received information I will be using with my partner for the rest of our lives. What a warm, love, and safe environment to explore my sexuality! MA

My partner and I were badly in need of a break from our stressful lives and have this opportunity to renew our juiciness. The workshop more than met our expectations and taught us some fun and profound things of endearing value as well. Many, many thanks. BN

Chip and Kat are wonderful facilitators for this type of workshop. Both are open and willing to share themselves, their personal experiences, and these are the best kind! AB

This will be an active "doing", body to body Workshop and is not intended for anyone that is not comfortable with a highly charged, sexual, clothing-optional environment. In a "safe container" each couple will have the

opportunity to explore sensuality, sexuality, and feelings of yummy connection. Nothing will be mandated. You will be at choice around exercises that simply don't appeal to you or that you need to practice in private

This workshop is open to non-specific gender couples. Sign ups will be in couples, and you will be doing all of the exercises with your partner. We have room for 9 Couples so space is limited.
